

Interview Questions For In-Class Presentations &

SCHOOL FAIR Instructions:

Students have been instructed to present their project for 3-4 minutes.

Please ask a *minimum* of one question to each student. Ask more if time permits.

Possible questions to target depth of understanding:

- Why did you pick this topic?
- How did you research the topic?
- Has this project been meaningful to you personally?
- How does this topic connect or give meaning to life in Canada today?
- Summarize the one thing you learned from doing this project.
(Example: the most interesting; the most important idea or theme)
- Is there anything else you would like to explain about the project?
- Why did you choose the
information/pictures/maps/photographs/music/artwork that you did?
- What are you trying to say about _____?
- What interested you?
- What amazed you?
- What do you want to learn more about?

Or improvise ...
